# FIFTY-EIGHTH. ANNUAL REPORT

---

The Annual General Meeting of the Whitchurch Cottage Hospital was held at the Hospital, on Wednesday, April 25th, Mr. R. B. Jones presiding, supported by Mr. R. J. Eccleston, vice-chairman, Miss E. Evans, matron, and Mr. Edward South secretary. Apologies for absence were received from Mr. and Mrs. Beckett, Major Lambert, Mrs. Corser, Mrs. Thompson, Mr. Sowden and Mr. Bristow.

## CHAIRMAN'S REPORT.

Presenting his report, Mr. Jones said the activities and finances had again exceeded the previous year, and it was satisfactory to see the upward trend in this direction. Patients had increased by 21 and 55 more operations and 64 extra X-Ray patients had been dealt with as compared with the previous year. They regretted the resignation of Miss Wakelin at the end of the year, and during her two and a half years' service as matron many improvements were made, and the committee acknowledged her devotion to the nursing and management during that period. Miss Evans who succeeded her came from the Doncaster Royal Infirmary with qualifications which should continue the good work which had been carried on at the hospital for so many years. Unfortunately they were still understaffed, and they could only hope that the end of the war would also see the end of their difficulties in this respect. The committee had been greatly encouraged by the continued support of the public during the year both in voluntary money gifts, church collections, etc., and in the many gifts in kind which were sacrifices in these days. They were grateful to the ladies who had recently assisted in the repair of linen and to all those who by collective and individual efforts had raised funds. They were deeply indebted to Mr. R. J. Eccleston and his band of willing helpers who had added a further sum of £580 to the Building and Equipment Fund during the year. This now stood at £980, and it was hoped to build it up so that post war development should not be hampered by lack of money. All-

round increase in expenditure was rather to be expected, but it was a source of satisfaction to know that their income had met the growing demand on revenue and left them with a surplus of £91 at the end of the year. The committee stressed the advantage of the Contributory Schemes of which the Royal Salop and Deeside were the local organisations. Whilst providing free maintenance to the contributor and their families, it was as well to point out that only about one half of the cost of such maintenance was met by the schemes, leaving the remainder to be found out of investment and voluntary income.

Concluding, Mr. Jones expressed appreciation of the medical and nursing staffs who had done so much towards the successful achievements of the hospital during the past year.

The accounts were adopted on the motion of the Rev. Thos. Thompson, supported by Mrs. R. Lambert.

### COMMITTEE.

Six nominations were received for five vacancies on the committee, and the following were elected, Mrs. Lambert, Mrs. T. Thompson, Miss Vawdrey, Miss Darlington, and Mrs. J. H. Wynne.

### APPOINTMENTS AND THANKS.

The chairman extended thanks to Mr. J. D. Patrick, the hon. treasurer, for the work he had done and the interest he had shown in the Hospital, and Mr. Eccleston paid a similar tribute to Mr. G. W. Bristow, the honorary auditor. Both were re-elected.

Moving a vote of thanks to the doctors, the Rev. Thos. Thompson said that a great part of the success of the hospital was due to the medical profession.

Mrs. Hugh Manley welcoming the matron, said they were grateful to her for the way she had carried on under trying times.

Mr. J. D. Patrick moved a vote of thanks to the chairman and vice-chairman, and responding Mr. Jones said that the hospital costs were nearly double to what they were 7 or 8 years ago, and during 1944 the hospital had done more and better work than ever it had done before. Referring to the fin-

ances, Mr. Jones said that without their income from investments there would have been a deficit of £360. In the near future, it would be necessary to make some extensions. They were in a sound state and doing good work.

Mr. Eccleston said he was only anxious that the Cottage Hospital should be second to none and that patients should have the very best attention that could be given to them. He was disappointed to see such a small attendance and regretted that the general public did not take more interest in the meeting.

Thanks were expressed to Mr. E. South who has held the office of secretary for nearly 21 years.
